

Indian Oil Corporation Limited shortlists proposals from R&D institutes to support R&D in several domains

Background:

The Office of the Principal Scientific Adviser, Government of India has partnered with Indian Oil Corporation Limited for R&D opportunities. There are several domains for which IOCL is supporting R&D projects under this call.

1. Alternate energy/ Waste to value (CCU technologies, solar energy, hydrogen economy)
2. Refining technology
3. Lubrication technology
4. Nanotechnology
5. Pipeline Inspection technologies
6. Fuel and additives
7. Petrochemicals

Outcome:

Indian Oil Corporation Limited has shortlisted proposals received from eleven research and development institutes located across the country.
